  - a. Round 1 goes first team through last team.
  - b. Round 2 starts with the last team and works backwards.

  - a. Each team is limited to 1 Manager selection, and 1 Assistant Selection.
    - i. In order to allow additional assistant coaches' children on the team's roster, they must be selected during the regular course of the draft, or traded for upon completion of the draft.

    - i. With a parental request prior to the draft, siblings may be split up onto different teams.

- 12) Late registrations will be assigned by the Player Agent to the team that would have had the next pick when the draft was completed. This process will continue for each late registration received.
